

ONE HUNDRED GLOBAL

Urban & Youth Culture Management & Consultancy

ABOUT

One Hundred Global is an Urban & Youth Culture Management and Consultancy Company. Our aim is simple: to work with individuals, projects, brands and companies to help them enhance and execute their plans on a local, regional, national and/or international level.

One Hundred Global has been set up by the same people who founded and managed the awarding winning URBEATZ Company as a direct response to a growing demand for support to various individuals, groups, brands and companies with their projects, within the realms of Urban and Youth Culture. The One Hundred Global team are uniquely skilled and gifted and supremely experienced in this area and offer a dedicated and bespoke action plan for all clients. Additionally, the team offers flexibility in regards to timescale and terms of engagement that makes this service truly second to none.

CONSULTANCY

One Hundred Global have acted as consultants to help in specific parts of youth campaigns and projects for various companies. The strength of our organisation is the experience we have working with young people from various backgrounds, facilitating projects and an understanding of how to work to achieve corporate goals, whilst delivering on a grassroots level. Further, One Hundred Global has a unique ability to provide integrity in regards to advice, research and development and an understanding of Urban and Youth markets and culture.

One Hundred Global have undertaken consultancy roles that have included project research, development and organisation, recruitment, programming, providing content and marketing. Clients have included the BBC; A-List Music, Anthony Walker Festival; 20 Stories High; Writings on the Wall; Liverpool City Council; Safer MK, Milton Keynes Youth Service, Merseyside Police and HUB Festival.
